

### **Prize structure for Tynedale 10k race 2023.**

1. Prizes will be awarded on the basis of the official chip times in accordance with UKA Rules of Competition and the Event Rules.
2. Prizes are in the form of gift vouchers for 'Northern Runner' In Newcastle. No cash alternative is offered.
3. Veterans are eligible for open individual prizes.
4. Prizes in the veterans age categories will be awarded on finishing times; if an individual from an older age category has a faster time than the placed runner in a younger category, the older runner will be awarded the prize in the younger category. For example, a V45 might run a faster time than the third V40, the V45 would then receive the V40 prize. Another V45 would then receive the V45 prize.
5. Runners will only be awarded one individual prize.
6. Should there be any doubt or discrepancies in the results, then the organisers reserve the right to withhold awarding a prize until the results become official (up to 14 days after the race).
7. All prize winners will be displayed on the Tynedale Harriers website within 14 days of the race.
8. Age on race day determines age category entitlement.
9. Awards in the Team category apply to UKA affiliated clubs and will be calculated on finishing places of the first three runners from a club.
10. All prizes and categories listed are subject to amendment.
11. Prizes will only be awarded based on the information submitted through the formal entry process. If runners have failed to supply any information relevant to the prize awards, then the data may not be included in the results after the race and they may not receive the relevant prize that could have been eligible for. It is the runners' responsibility to ensure their entrant data is submitted accurately.
12. Any runner falsely claiming a prize through their entry data, by claiming to be someone else, or by any other fraudulent method will result in the prize being withdrawn from them and the runner will be reported to UK Athletics.
13. All prizes must be collected within 1 calendar month of the race day.
14. All appeals and correspondence should be addressed to the Race Director. The decision of the Race Director shall be final.
